## AKAKIES 2015

- Name:** AKAKIES 2015  
**Type:** Dry rosé  
**Category:** PDO Amyndeon  
**Origin:** Selected contracted vineyards of the area of Agios Panteleimon, in the PDO zone of Amyndeon, Northwestern Greece  
**Varieties:** Xinomavro 100%  
**Cellaring:** Sur lie and batonnage for three months  
**Aging potential:** 2-3 years  
**Character:** Bright, with a rich aromatic character composed of fruity and vegetal notes, refreshing acidity and a lingering aftertaste. It can be enjoyed on its own as an aperitif or matched perfectly with roasted chicken, dishes based on salmon or tuna and vegetarian dishes of the Mediterranean or Asian cuisine.  
**Packaging:** 750 ml, 1500 ml

### Vineyard

The vineyard lies at an altitude of 700 meters within the viticultural zone of Agios Panteleimon, in the Amyndeon Appellation in Northwestern Greece, the only Greek P.D.O for rosé wines. The vineyard's mean yield does not exceed 40 hl/ha. The soil is sandy and poor, thus offering the possibility of producing wines of exquisite quality and rich aromas. The microclimate of the region is characterised by cold winters and warm summers, while the four neighbouring lakes contribute to the existence of a mild continental climate.

### Vinification

Akakies is the final blend of two winemaking techniques: 90% of the must undergoes skin contact and 10% comes from the bleeding off of juice fermenting for red wine. Grapes are kept in cold rooms to achieve temperatures between 11 and 14°C. After destemming and crushing, skin contact takes place under CO<sub>2</sub> atmosphere to avoid oxidation for 12 to 48 hours depending on the grape quality. After fermentation the wine is aged on lees for 3 months with 3 times per week stirring to soften the natural acidity and increase opulency.

### Technical analysis

**Alcoholic volume:** 12,3 %  
**Volatile acidity:** 0.35 g/lit  
**Total acidity:** 5.9 g/lit  
**Active acidity (pH):** 3.18  
**Residual sugar:** 1.7 g/lit

### Winemaker notes

The typical aromas of ripe strawberry and cherry of Xinomavro bind harmoniously with the notes of rose petals. On the palate, the bold acidity balances with the aromatic intensity and lingers into a long-lasting, flavorful finish.
